Testimonial From Judge Gaston.
 GREENVILLE, Ala., Aug. 10, 1899.
 I take great pleasure in certifying to the purity and merit of Wilkinson's Matchless Mineral Water. This natural mineral tonic, to my personal knowledge, is taken from a well three miles east of Greenville, in the exact condition in which it is sold. I have seen this water used, with wonderful success, for dyspepsia, indigestion, sores and eruptions, diseases, sores and ulcers on man and animals. As a remedy for these troubles, I do not believe its equal exists. It is highly recommended by physicians for a number of diseases.
